**CONSENT ORDER**

WHEREAS, Alonzo Davis of Hamden, Connecticut (hereinafter "respondent") has been issued license number 000367 to practice as a respiratory care practitioner by the Department of Public Health (hereinafter "the Department") pursuant to Chapter 381a of the General Statutes of Connecticut, as amended; and,

WHEREAS, the Department alleges that:

1. On or about January 11, 2002, respondent was employed at Hospital of St. Raphael as a respiratory care practitioner. On or about January 11, 2002, respondent placed an oxygen line and flow meter on a port for nitrous oxide in the cardiac catheterization laboratory. 2. The above described facts constitute grounds for disciplinary action pursuant to the General Statutes of Connecticut, §20-162p.

WHEREAS, respondent, in consideration of this Consent Order has chosen not to contest the above allegations of wrongdoing but, while admitting no guilt or wrongdoing, agrees for sole purposes of this or any future proceedings before the Department of Public Health (hereinafter "the Department"), that this Consent Order shall have the same effect as if proven and ordered after a full hearing held pursuant to §§19a-10, 19a-14 and 20-162p of the General Statutes of Connecticut.

6. Respondent agrees that this Consent Order shall be deemed a public document. Although respondent has admitted no guilt or wrongdoing, respondent further agrees that the Department's allegations as contained in this Consent Order may be deemed true in any subsequent proceeding before the Department in which his compliance with §20-162n, et seq. of the General Statutes of Connecticut, as amended, is at issue.
7. This Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Further, this Order is not subject to appeal or review under the provisions of Chapters 54 or 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive respondent of any rights that he may have under the laws of the State of Connecticut or of the United States.

8. This Consent Order is a revocable offer of settlement which may be modified by mutual agreement or withdrawn by the Department at any time prior to its being executed by the last signatory.
9. Respondent permits a representative of the Legal Office of the Bureau of Healthcare Systems to present this Consent Order and the factual basis for this Consent Order to the Department. Respondent understands that the Department has complete and final discretion as to whether this executed Consent Order is approved or accepted.
10. Respondent has the right to consult with an attorney prior to signing this document.
